## Hands on Workshop on Library Discovery System (LDS)

SATYAJIT RAY FILM & TELEVISION INSTITUTE

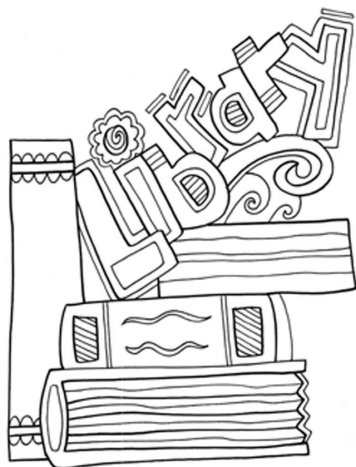

**Hands on Workshop  
on  
Library Discovery System (LDS)  
from 19th December to 22nd December 2019.**

Satyajit Ray Film and Television Institute, Kolkata is organizing **Hands on Workshop on Library Discovery System (LDS)** from 19th December to 22nd December 2019.

**Objectives:**

- To create awareness among professionals about open source technology & its application in library.
- To enable the Library & Information Professionals to face the technological challenges.
- To provide a single window approach to the segregated resources those are available in a library.
- To provide library clients with a universal search and discovery experience and thereby saving them in running from pillar to post in search of relevant resources.
- And, to strengthen the society & professionals.

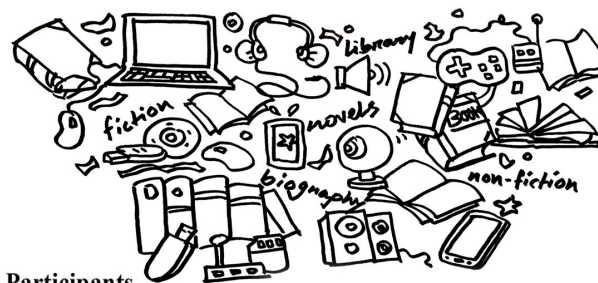

**Theme of the Training programme**

The main theme of the training programme is to provide theoretical foundation as well as hands-on training keeping in mind the rapid development in the domain of library automation and digitization.

The following topics will be covered:

- Koha – advanced cataloguing, OAI/PMH based data exposure, ILSDI based content negotiation
- Digital Media Archiving – Resource exposure from DSpace, Omeka, Islandora and Greenstone
- Discovery interface – Integration of resources from different information blocks in VuFind

**Target Participants**

Librarians, Working professionals and research scholars in the field of Library and Information Science, Information Specialists, Faculty members of Library and Information Science, Officers under the Central or State Government or Union Territories, interested academicians, and other disciplines may attend this advanced training programme which will be very effective to run and use modern library.

**Prerequisite of the Participants:**

Basic knowledge of Ubuntu (or any Linux flavour), LAMP architecture, Koha and DSpace (operational level).

The intensive and advanced training programme on Library and Information Science helps to earn-

- **API score as per UGC guidelines.**
- **Promotional requirement as per DOPT Guidelines**

**Limited Seat Availability:** Only 30 seats are available on First- come First -Serve basis

**Experts and Resource Persons**

The training lectures/practical/demonstration will be delivered by the eminent faculty and professionals from reputed institutes/universities/Govt. of India organizations and also from National Digital Library of India (NDL), IIT Kharagpur like:

1. **Dr. P. S. Mukhopadhyay**  
Professor, Department of Library and Information Science, University of Kalyani
2. **Mr. J. K. Pal**  
Indian Statistical Institute, Kolkata
3. **Mr. S. Banerjee**  
Principal Project Officer - Systems  
National Digital Library of India, IIT Kharagpur

**Important Dates**
